This afternoon the Legislative Assembly voted unanimously to appoint me as the Conflict of Interest Commissioner for another 5 year term. It is an honour to continue as an Officer of the Legislative Assembly, and I thank the Members (past and present) for their trust, confidence and support.

At the same time, I want to acknowledge the contributions of all those colleagues in our small Office whose dedication and hard work is largely responsible for today's appointment.

They are: former Executive Coordinators and now retired Jill Robinson and Daphne Thompson; current Executive Coordinator Linda Pink; Legal Officer Alyne Mochan; Projects Officer Corey Ulmer and Administrative Assistant Amber Derricourt.
